**FREQUENCY LISTS** **SW Stations of the World**

**SHORTWAVE STATIONS OF THE WORLD**

November 2019 - © Copyright WRTH Publications Ltd

For country and site codes, see relevant tables in the reference section. Stations marked as 'dom' in the site column are domestic/national broadcasts. Stations marked with 'STF' in the site column are Standard Time/Frequency transmissions. The column 'N' indicates Notes. Symbols used in the 'N' column are: '\*' indicating DRM transmissions; 'z' which indicates variable frequency; '†' for irregular transmissions and '‡' for frequencies that were inactive at the editorial deadline. The 'Country' column shows the location of the transmitter site. The country code shown after international entries denotes the country the station is listed under in the International or COTB sections of WRTH.

kHz	N	KW	Country	Site	Station, location
